## Guided Tours around Myanmar

Custom tailored, individual tours are our passion. We do them by car or minivan.

You just give us an idea where you want to go and where you want to stay.  
We calculate, make you an offer and arrange.

Our calculation is based on the two principal points 'Service' and 'Accommodation' and is easy to follow:

### 1) Service:

- Up to 3 guests: 180 US\$/day:  
Car, driver/English speaking tour guide, fuel, road toll and free water.
- Up to 5 guests: 200 US\$/day:  
Minivan, driver/English speaking tour guide, fuel, road toll and free water.

Entrance fees, other drinks and meals are not included.

If you like to book a tour guide other than an English speaking, please let us know. Depending on the language, we'll have to add an extra charge.

### 2) Accommodation:

Either you book your resorts/hotels/guesthouses online by yourself or we will arrange for you.

If we arrange for you, please pay the room charge directly to us in cash (US\$ or MM Kyat).
